

Introduced in 1972, the BMW 5 Series is currently in its sixth generation and was all new for the 2010 model year. A hybrid version was added in 2012.

It comes with a choice of three turbocharged gasoline engines that include 4-cylinder, inline 6-cylinder and V-8 configurations. A turbocharged diesel engine is also available, as well as a hybrid. An 8-speed automatic transmission is standard on all models, with a choice of rear-wheel drive or xDrive all-wheel drive, depending on the engine.

While BMW's 5 Series has become the benchmark for vehicles in this class, it doesn't offer many of the advanced features you'll find on the RLX.

### **Acura RLX P-AWS advantages over BMW 535i**

- Larger-displacement V-6 engine that doesn't require a turbocharger to make power
- More horsepower (310 hp vs. 300 hp)
- Larger standard wheels and tires (19-inch vs. 18-inch)
- Standard tri-zone climate controls (vs. dual-zone)
- Longer powertrain warranty (6 year/70,000 miles vs. 4 years/50,000 miles).
- The RLX P-AWS comes with a host of standard and available features that you won't find on the 535i:
  - Standard Variable Cylinder Management™ (VCM®)
  - Standard Agile Handling Assist®<sup>1</sup>
  - Standard noise-reducing wheels to help lessen interior noise
  - Standard GPS-linked<sup>2</sup> climate control
  - Available long-range remote engine start
  - Standard Active Sound Control to help reduce interior noise
  - Standard next-generation Advanced Compatibility Engineering™ (ACE™) body structure
  - Standard driver's knee airbag
  - Standard Lane Departure Warning (LDW) system<sup>3</sup>
  - Standard Lane Keeping Assist System (LKAS)<sup>4</sup>
  - Standard Road Departure Mitigation system<sup>5</sup>
  - Standard Tire Sealant and Inflator Kit
  - Standard Song By Voice® and Aha™<sup>6</sup> compatibility
  - Standard Traffic Rerouting™<sup>7</sup>
  - Standard On Demand Multi-Use Display™ (ODMD™)
- You'll have to pay extra on the 535i to get these standard RLX P-AWS features:
  - Rear-wheel steering
  - LED headlights
  - Heated front seats
  - Keyless Access System with smart entry
  - HomeLink®<sup>8</sup>
  - Multi-view rear camera<sup>9</sup> (vs. single-view)
  - Forward Collision Warning (FCW) system<sup>10</sup>
  - Collision Mitigation Braking System™ (CMBS™)<sup>11</sup>
  - Pandora® compatibility<sup>12</sup>

## BMW 535i advantages over Acura RLX P-AWS

- More torque (300 lb-ft vs. 272 lb-ft)
- 8-speed automatic transmission (vs. 6-speed)
- Smaller turning circle diameter – curb-to-curb (39.4 feet vs. 40.5 feet)
- Longer corrosion warranty (12 years/unlimited miles vs. 5 years/unlimited miles)

### DISCLAIMERS

- 1 The Agile Handling Assist system cannot enhance stability in all driving situations. You still need to drive and corner at speeds appropriate for the conditions and always leave a sufficient margin of safety.
- 2 Acura Navigation System and related features available in the 48 contiguous United States, Hawaii and Puerto Rico. See your local Acura dealer for information regarding navigation system area coverage.
- 3 LDW only alerts drivers when lane drift is detected without a turn signal in use. LDW may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 4 LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 5 Road Departure Mitigation may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road conditions. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 6 Compatible smartphone required. All Aha platform feeds are audible, not visual in nature. Vehicle does not provide any feeds. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Launch smartphone applications only when the vehicle is safely parked. Aha is a trademark of HARMAN International Industries, Inc. Your wireless carrier's rates may apply.
- 7 AcuraLink Real-Time Traffic is operable only in select markets within the 48 contiguous United States, as well as Vancouver, Toronto and Montreal. The service is available at no cost for three years after purchase whereupon it will continue to be available on a subscription basis.
- 8 Homelink and the Homelink house are registered trademarks of Johnson Controls®.
- 9 Always visually confirm that it is safe to drive before backing up, as the rearview camera may not provide complete information about conditions at the rear of your vehicle.
- 10 FCW cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 11 CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
- 12 Pandora, logo and trade dress are owned by Pandora Media, Inc., and used with permission. Compatible with select smartphones. See: [www.pandora.com/everywhere/mobile](http://www.pandora.com/everywhere/mobile). Wireless carrier's rates apply.
