

The ATS is Cadillac's entry-level luxury sedan that was launched in 2012 as a 2013 model. It comes with two engine choices: a 2.0-liter turbocharged 4-cylinder or a 3.6-liter naturally aspirated V-6. ATS offers the choice of rear-wheel or all-wheel drive and comes with an 8-speed automatic transmission.

Although the ATS is making some inroads into the luxury market, it lacks some of the fit and finish that buyers expect in this market. The TLX offers exceptional build quality as well as a number of features you won't find on the ATS.

Acura TLX 4-cylinder advantages over Cadillac ATS 2.0t Sedan

- Standard 8-speed Dual Clutch automatic Transmission with paddle shifters (vs. 8-speed automatic)
- Standard 10-way power driver's seat (vs. 6-way power)
- More front and rear shoulder room and hiproom
- More rear legroom (34.5 inches vs. 33.5 inches)
- More passenger volume (93.3 cu. ft. vs. 90.2 cu. ft.)¹
- Better EPA fuel economy ratings (24/35/28 vs. 22/31/25)²
- The TLX 4-cylinder comes with a host of standard and available features that you won't find on the ATS 2.0t Sedan:
 - Standard Integrated Dynamics System
 - Standard paddle shifters
 - Standard Agile Handling Assist^{®3}
 - Standard Precision All-Wheel Steer™ (P-AWS[®])
 - Standard LED headlights
 - Available GPS-linked⁴ climate control when equipped with navigation
 - Standard Active Sound Control
 - Standard capless fuel fill system
 - Standard Tire Fill Assist
 - Standard Tire Sealant and Inflator Kit
 - Standard Aha™⁵ compatibility
 - Standard On Demand Multi-Use Display™ (ODMD™)
- You'll have to pay extra on the ATS 2.0t Sedan to get these standard TLX 4-cylinder features:
 - Electric parking brake
 - Power moonroof
 - Heated front seats
 - 60/40 split fold-down rear seatbacks
 - HomeLink^{®6}
 - Automatic dimming rearview mirror

Cadillac ATS 2.0t Sedan advantages over Acura TLX 4-cylinder

- Available all-wheel drive
- Standard active grille shutters
- Available Recaro performance front seats
- Available 8-way power front passenger seat (vs. 4-way power)
- Available heated steering wheel
- Available remote engine start
- Available Apple CarPlay™ and Android Auto™
- Standard Bose® premium surround sound audio system
- Available 110-volt power outlet
- Available rear-seat side-impact airbags
- Smaller turning circle diameter – curb-to-curb (36.4 feet vs. 39.2 feet)
- More front headroom (38.6 inches vs. 37.2 inches)

DISCLAIMERS

- 1 Based on SAE J1100 cargo volume measurement standard.
- 2 Based on 2017 EPA mileage ratings. Use for comparison purposes only. Your actual mileage will vary depending on how you drive and maintain your vehicle, driving conditions, and other factors.
- 3 The Agile Handling Assist system cannot enhance stability in all driving situations. You still need to drive and corner at speeds appropriate for the conditions and always leave a sufficient margin of safety.
- 4 Acura Navigation System and related features available only in the United States, Puerto Rico and parts of Canada. See your local Acura dealer for information regarding navigation system area coverage.
- 5 Compatible smartphone required. All Aha platform feeds are audible, not visual in nature. Vehicle does not provide any feeds. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Launch smartphone applications only when the vehicle is safely parked.
